

MINI COMPETITION with Course Walk

Saturday 28th October 2017 - from 12.30pm

This date have been arranged to encourage riders who do not feel yet ready or comfortable competing at the usual JumpCross Competition Series. The competition element is much more low key and the course comprises around 10 fences over the JumpCross course at a maximum height of 2'0 (the joker option will be slightly higher as is usual in the competition series). The round will be judged and timed and prizes in kind are offered.

The format of the day is that all riders are offered the opportunity to have a course walk with Emily Cullum prior to the competition so that knowledge on the optimum way in which to ride the course can be gained prior to their own competition round.

ENTRY FORM

Event Date:
